Victory in Vegas with Dynamic Gold

MEMPHIS, Tenn. (October 26, 2015) — The winner of the Shriners Hospitals for Children Open trusted his short game to Dynamic Gold for his first PGA TOUR victory this past weekend.

The 23-year-old rookie started the final round seven strokes behind and quickly gained the lead with 8 birdies and one eagle with Dynamic Gold. He sunk a 20-foot birdie on 18 to finish 10-under par 61 and beat out six rivals in the final round. The win secures his PGA TOUR card for two years and earns him an invite to the 2016 Masters Tournament.

“So far it has been the season of the rookie with last week’s Frys.com Open victory and then again this week,” David Walker, senior director of sales and global tour operations for True Temper Sports said. “Dynamic Gold has a history of winning on the PGA TOUR and it is exciting for us to see that legacy continued with the young, up-and-coming players such as this week’s Shriners Open champion who played an incredible final round.”
